Key benefits

Michelin always aims to bring together multiple performances.

At MICHELIN, we never work on one isolated element of performance. Instead, we focus on the whole package: safety, durability and the thrill of riding... all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™, which has and will always be our difference on every tyre.

Stability and comfort

Get ready for stability and comfort on the road thanks to the radial technology available for the very first time on this high-grip tyre.

Maneuverability

The innovative tyre tread structure provides improved road/off-road traction as well as maneuverability and precision.

Longevity

Excellent longevity and resistance in the face of adverse conditions thanks to the optimized tread depth and novel tyre tread components.
